Dear Mr. Bullock:

I have attempted to contact you by phone and email regarding the filing of a patent application in the name of your father, Lawrence Bullock. The phone number I reached you at originally has been disconnected. I sent a letter to the above address on August 2, 2001, as well. I have not received any response. Before I send you the forms we spoke about, I need some more information from you. Please provide the following:

- 1) Your father's last address; and
- 2) Do you have any brothers or sisters? If so, I need their names and addresses. All of your father's heirs must sign these documents. Visteon gave me the address of your sister Shona (I need her full name) as 1814 Stout, Detroit, MI 48235. Is this correct?

I will include the patent application as well as other information from Visteon when I send you the materials.

Please call me at (312) 245-5394 to discuss this matter as soon as possible. Thank you.
